PREPARING STUDENTS
FOR LIFE

Preparing Students for Life

Midway School, serving grades Preschool-6 in Westwood, offers your child an incomparable education that will help them go far.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Your child will experience our neighborhood school's:

- STEAM program that combines STEM (Science, Technology, Engineering and Mathematics) fundamentals with the Arts.
- Opportunities that bring classroom lessons to life, including STEAM Day, a talent show and Career Day.
- Diverse and well-rounded student community with 20 languages represented.
- Staff and teachers who are committed to helping students learn and grow together as a family.
- Intervention time, which helps students stay on track to read by the end of first grade, write by the end of third grade and solve math problems by the end of fourth grade.
- After-school programs and extracurricular activities, including athletics, choir, theater and more!

Enroll your child today!
